**Daughters of Dignity: African Women in the Bible and the Virtues of Black Womanhood** Laverne McCain Gill

To reclaim a connection with their deep ethical roots and moral heritage, African American women must learn the stories of strength, courage, and faith that propelled generations of their foremothers into the world supported by justice, love, faith, wisdom, and perseverance - virtues that would empower them to raise strong families and have productive careers. LaVerne McCain Gill identifies these virtues and traces their roots. She presents biblical and theological foundations to validate the experiences of the African American woman and offers historical and contemporary role models who embodied these virtues. Finally, she gives suggestions for self-evaluation and narratives on contemporary programs to successfully reestablish an ethic of black womanhood in the community.
