Fish of Souls Gary Williams

The skeleton of a bizarre fish is found hidden inside the powder magazine of the 300 year-old Spanish fort in St. Augustine, Florida. Now, as a friend turns up mutilated along the shore, Scott Seymour and Curt Lockes discover an amazing, yet terrifying, archeological connection between the fish, the Old Testament and Florida's early settlers. But time is running out. On the horizon, a deadly hurricane is bearing down on the coast and evil is amassing in force. Soon the fish will be beyond human control and only a few know the truth. But none know how to stop it.
