Women and the First World War

Susan R. Grayzel

Women and the First World War Susan R. Grayzel

The First World War was the first modern, total war, one requiring the mobilisation of both civilians and combatants. Particularly in Europe, the main theatre of the conflict, this war demanded the active participation of both men and women.

Women and the First World War provides an introduction to the experiences and contributions of women during this important turning point in history. In addition to exploring women's relationship to the war in each of the main protagonist states, the book also looks at the wide-ranging effects of the war on women in Africa Asia, Australia, New Zealand, and North America. Topical in its approach, the book highlights:

- the heated public debates about women's social, cultural and political roles that the war inspired
- their varied experiences of war
- women's representation in propaganda
- their roles in peace movements and revolutionary activity that grew out of the war
- the consequences of the war for women in its immediate aftermath

Containing a document section providing a wide range of sources from first-hand accounts, a Chronology and Glossary, *Women and the First World War* is an ideal text for students studying the First World War or the role of women in the twentieth century.

From reader reviews:

Patricia Glover:

Playing with family within a park, coming to see the coastal world or hanging out with friends is thing that usually you will have done when you have spare time, then why you don't try matter that really opposite from that. A single activity that make you not experiencing tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love Women and the First World War, it is possible to enjoy both. It is excellent combination right, you still would like to miss it? What kind of hang-out type is it? Oh can occur its mind hangout men. What? Still don't get it, oh come on its named reading friends.

Belen Riedel:

This Women and the First World War is great reserve for you because the content that is certainly full of information for you who have always deal with world and possess to make decision every minute. This book reveal it details accurately using great coordinate word or we can declare no rambling sentences within it. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but challenging core information with beautiful delivering sentences. Having Women and the First World War in your hand like finding the world in your arm, facts in it is not ridiculous one particular. We can say that no guide that offer you world in ten or fifteen second right but this reserve already do that. So , this can be good reading book. Hi Mr. and Mrs. stressful do you still doubt which?

Walter Pressley:

As we know that book is essential thing to add our knowledge for everything. By a e-book we can know everything we would like. A book is a list of written, printed, illustrated or perhaps blank sheet. Every year seemed to be exactly added. This book Women and the First World War was filled with regards to science. Spend your spare time to add your knowledge about your science competence. Some people has various feel when they reading a book. If you know how big benefit from a book, you can truly feel enjoy to read a e-book. In the modern era like right now, many ways to get book that you just wanted.

James Weil:

Do you like reading a guide? Confuse to looking for your best book? Or your book had been rare? Why so many query for the book? But any kind of people feel that they enjoy for reading. Some people likes looking at, not only science book but additionally novel and Women and the First World War or even others sources were given understanding for you. After you know how the good a book, you feel desire to read more and more. Science book was created for teacher or perhaps students especially. Those guides are helping them to put their knowledge. In other case, beside science e-book, any other book likes Women and the First World War to make your spare time more colorful. Many types of book like this one.
