This is a slyly funny look into our younger years as Baby Boomers. It stirs up richly detailed memories of -- as Clint Eastwood almost said -- the good, the bad and the you've-got-to-be-kidding from those days. Many well-known Boomers have lived among us all these years, but you've never seen them like this. Experience some of their embarrassing moments as well as the ones they usually talk about. All of these stories fill in bits and pieces of our own lives as well, right up to the present day. We have changed a bit since then, gotten a little saner and perhaps a little more settled. But even if we are less likely to hurry to the dance floor when we hear the Rolling Stones, there are still some good friends and old memories that are great to recall. Even if it just makes us shake our head and laugh.
