Coaching Educational Leadership: Building Leadership Capacity through Partnership (Published in association with the British Educational Leadership and Management Society) Jan Robertson

Coaching Educational Leadership is about building leadership capacity in individuals, and in institutions, through enhancing professional relationships. It is based on the importance of maximizing potential and harnessing the ongoing commitment and energy needed to meet personal and professional goals. Based on over a decade of research and development, nationally and internationally, *Coaching Educational Leadership* brings you the empirical evidence, the principles, and the skills to be able to develop your own leadership and that of others you work with.
