The Religious Sense

Luigi Giussani, John E. Zucchi

The Religious Sense Luigi Giussani, John E. Zucchi

Giussani challenges us to penetrate the deepest levels of experience to discover our essential selves, breaking through the layers of opinions and judgments that have obscured our true needs. Asserting that all the tools necessary for self-discovery are inherent within us, he focuses primarily on reason, not as narrowly defined by modern philosophers, but as an openness to existence, a capacity to comprehend and affirm reality in all of its dimensions. Part of the so-called new religious revival, *The Religious Sense* avoids any sentimental or irrational reduction of the religious experience. It is a forthright and refreshing call to reassess our lives.
