The Odyssey: A Play

Mary Zimmerman

The Odyssey: A Play Mary Zimmerman

This dramatic adaptation of Homer's myth begins with a modern young woman who is struggling to understand Robert Fitzgerald's translation of *The Odyssey*. A classical muse appears, and the young woman becomes the goddess Athena--a tireless advocate for Odysseus in his struggle to get home. With her trademark irreverent and witty twist on classic works, Zimmerman brings to life the story of Odysseus's ten-year journey, depicting his encounters with characters such as Circe, the Cyclops, Poseidon, Calypso, the Sirens, and others.
