The Progressive Revolution: Liberal Fascism through the Ages, Vol. I: 2007-08 Writings Ellis Washington

The Progressive Revolution (Vols. I & II) chronicles both the historical significance and political deconstruction that the Progressive Revolution, or the Progressive Age, (*circa* 1870–present) has continuously perpetrated against society, even to this day. These volumes are a collection of selected essays, articles, and Socratic dialogues from the weekly columns written by the author for WorldNetDaily.com, an independent news website of primarily conservative thought and ideas. This opus is divided into two volumes: Vol. I (2007-08 articles) and Vol. II (2009 articles) that are organized topically according to their subject matter of twelve intellectual disciplines including law, politics, foreign policy, philosophy, aesthetics, the academy, religion, economics, science, culture, society, and history.
