## **Draconian Consciousness: The Book of Divine Madness** Michael Kelly

Michael Kelly is a Draconian Initiate, a prophet of the Dragon of the Void. He is passionate about Runes and Wyrms and the Mysteries that attend them. Draconian Consciousness is the fourth book in Michael Kelly's Draconian series, and is intended for advanced students. This is pre-eminently a book of 'doing', a practical manual of Work to be performed by the Initiate. It is a challenging and demanding curriculum which gives no quarter and pitilessly turns many cherished ideas and notions on their heads. This book was penned from the heart of the Void. It is deliberately full of the contradictions and about-faces that characterise the Abyss where time and space no longer exist. Where most occult books fail to deliver, there is REAL power here, use it at your own risk. The time has come for Apep, the Ancient Dragon, to swallow the Sun. Let the consciousness of the Dragon permeate your mind. You will never be the same again. NOTHING will ever be the same again.
