From DEATH to LIFE: An Overview of the Foundational Doctrines of the Christian Faith John J Cobb

For the past thirty years, John J. Cobb has devoted himself to teaching the foundational truths of the Christian faith. His first work, *Lord, When? A Biblical Perspective on the Second Coming* embodies the author's passion for the accuracy and purity of God's word.

His latest work, *From Death to Life* is just another example of his passion for the doctrines of God as it explores some of the core doctrines of the Christian faith such as:

- The Doctrine of God
- Man's Total Depravity
- Sin
- Justification
- Election
- Predestination

These and others covered in *From Death to Life* are crucial to the Christian's understanding of who they are and the tremendous love God has for us. The author is convinced that the main reason so many Christians are so easily misled by false teachers today is a lack of understanding of these doctrines. The author's desire is that all who read this book will be strengthened in their faith and rediscover their love for God and His word.
