In this USA Today bestselling contemporary romance, Emily March invites you to visit Cedar Dell, Texas - a small town with a big heart. Kate Harmon wonders how life got so complicated.

One minute she's dating the sexiest bachelor in Dallas and the next she's back in her small hometown surrounded by grannies, gossip, and green bean casserole.

It's not enough that she's been forced to finally return to the scene of her Scandal. Now her cantankerous father needs nursing, her pregnant-for-the-first-time-at-forty sister wants coddling, and her brother, Mr. Perfect, requires rescuing from a situation that threatens the family's future.

And guess who else is back in town? None other than Max Cooper, former high school football star and the father of her teenage son. And Max is looking to date her.

Over the course of a long, hot Texas summer, Kate has the chance to finally make peace with her past and open a door to her future. But will a second chance at love stand in her way?
