## **Case Studies for Use with Computers in the Medical Office** Susan M. Sanderson

This capstone simulation using Medisoft Patient Billing Software, Version 16, gives students enhanced training that fosters superior qualifications for a variety of medical office jobs. Extensive hands-on practice with realistic source documents teaches students to input information, schedule appointments, and handle billing, reports, and other essential tasks. The simulation is recommended for students who have completed the study of Medisoft Advanced Version 16 using Computers in the Medical Office.

“With the CourseSmart eTextbook, students can save up to 50% off the cost of a print book, reduce their impact on the environment, and access powerful web tools for learning. Faculty can review and compare the full text online without having to wait for a print desk copy. CourseSmart is an online eTextbook, which means users access and view their textbook online when connected to the Internet. Students can also print sections of the book for maximum portability.”
