Whitney Houston was a superstar.

Her death has shocked the entertainment world and her fans.

She won six Grammy Awards, two Emmy Awards, thirty Billboard Music Awards, and twenty-two American Music Awards in her amazing life.

This ebook is a story about her life and shocking death.

Heath Ledger was born on April 4, 1979 in Perth, an isolated town in Western Australia.

He performed in school plays as a child and by the age of 14, he was landing roles on local television shows.

Heath was very committed to his craft and enjoyed the process of creating different characters for his films.

There's no doubt about it, Heath Ledger was an amazing actor who was tragically taken from us well before his time.

Brittany Murphy was born in Atlanta, Georgia on November 10, 1977.

When she was two, her parents divorced. Brittany moved with her mother, Sharon, to Edison, New Jersey.

Even as a little girl, Brittany showed an interest in performing.

By the age 13, Brittany had starred in local theater productions.

Brittany Murphy, a performer whose career had scarcely begun, was dead at the age of 32.

This was shocking for all world.

If you have little personal knowledge of Apple products or Steve Jobs, then this biography ebook is for you. After reading the book, you'll find some of his impressive accomplishments through his business career and personal life. More importantly, how he developed Apple as we know it today.

Jobs was obviously a very special person, and I found this book as a short portrayed for both: the good and the bad about Jobs.
