**Frank Yerby: A Victim's Guilt** Eugene Stovall

Winner of the 2007 IPPY Bronze Medal

The novel, Frank Yerby: A Victim's Guilt, transports the reader into a mysterious and fascinating world where history and fiction merge within the actuality of Frank Yerby's mind. Characters from Frank Yerby's own books snatch him from his deathbed and demand that he recant his doctrine of the 'victims guilt'. They believe this doctrine has condemned Yerby as well as his characters to oblivion. Their will to survive is pitted against Yerby's pernicious belief in the 'victim's guilt' with unforeseen consequences for all.

FRANK YERBY is on his deathbed and he knows it. But death frightens Yerby not at all. Death infuriates him. Death means that none of his literary accomplishments will be appreciated. And he will be denied the acclaim that he deserves. But even as Yerby's mind rages against this unkind fate, characters from his books his own creations rage against him. They accuse him of being the author of his own failure and, in turn, casting them into oblivion. So Yerby's characters determine that he must unravel the mystery of the 'victim's guilt'.

In part one, SUMAYLA summons Frank Yerby back to 9th century Spain using the powers of Jewish mysticism. Sumayla is allied with the grand vizier who plots to overthrow the Emir of Cordoba. In the second part, the leader of a Voodoo cult conjures up a spell to bring Frank Yerby to Cuba. The Voodoo priest wants Yerby to assist and protect his nephew, PEDRO, who plans to lead an insurrection of Negro slaves and Cuban hacendados against Cuba's rulers. In the third part, ELLEN causes the rape and murder of her sister and must flee only to become embroiled in the bloody Kansas border war. When she is sold into slavery, Frank Yerby must come to her rescue.
