**Rabindranath Tagore: The Myriad-Minded Man (Tauris Parke Paperbacks)** Krishna Dutta, Andrew Robinson

Rabindranath Tagore (1861-1941)--poet, philosopher, painter, novelist, playwright, composer, traveller, political commentator and Asia's first Nobel Laureate--was one of his era's cultural icons. Proclaimed as the greatest poet India has ever produced, Tagore left an astonishing legacy undimmed nearly 70 years after his death. But he was also an enigmatic, complex and contradictory figure, torn between India's spiritual values and the spirit of the West. In this definitive biography, Krishna Dutta and Andrew Robinson explore the man behind the myth, presenting the power of his person, the power of his name and the power of his work. The result is an enlightening and exquisitely rendered portrayal--not of the legend but, to quote Tagore, of \*the figure that once moved.\*
