## **The Hypochondriac's Guide to Life. And Death.** Gene Weingarten

When every hiccup sounds like the call of doom, each stomach pang hints at incipient cancer, and a headache means it's time to firm up your last will and testament, *The Hypochondriac's Guide to Life. And Death.* provides just the relief you need. Gene Weingarten has spent his whole life immersed in the eclectic details of bizarre symptoms, self-diagnosing every minor ache as a potentially deadly disease. Weingarten examines:

- The mind of a hypochondriac
- How your doctor can kill you
- Ulcers and other visceral fears
- The snaps, crackles, and pops of your body that spell disaster
- Things that can take an eye out
- Interpreting DocSpeak

Blending the neurotic anxieties of Woody Allen, the folksiness of Garrison Keillor, and the absurdist vision of Dave Barry, Gene Weingarten conjures up a hilarious prescription for the hypochondriac that lurks inside all of us.
