Jessie had never seen her before. The beautiful girl who seemed to get a thrill out of surfing on a stormy sea. Maybe she'd been lucky in the past, but Jessie saw the girl's luck run out. Jessie saw her drown.

So who's the new girl in town? The one who doesn't know who she is -- or where she came from. The one who seems to cast a spell over everyone else she meets? Has the beautiful surfer come back from the dead? Or is it something else in this young adult horror novel by Linda Cargill that was originally published in the Scholastic USA Point Horror Line and the Scholastic UK Point Horror Line. It was also published by Cora Verlag in German and in Italy as well. After selling 200,000 copies worldwide it is now available in a Kindle edition, published by Cheops Books.
