Women Political Leaders: Breaking the Highest Glass Ceiling Jane S. Jensen

This book examines the many routes sixty or so women have taken to become president or prime minister of their countries and the problems they have encountered once in office. Their ability to deal with the difficulties of governmental and party leadership in a male-dominated culture are discussed along with an evaluation of their performance in managing domestic problems and handling the issues of war and peace. The essential question asked throughout is what difference being female made in their governing style.
