Working with Political Science Research Methods: Problems and Exercises Janet Buttolph Johnson, H. T. Reynolds

Does the science part of political science cause your students to break out in a cold sweat? This companion workbook gives students the perfect opportunity to practice each of the methods presented in the text. To maximize their ability to master each technique, the workbook is organized to parallel the text chapter for chapter, breaking out each aspect of the research process into manageable parts, and comes with updated data sets and primary documents. Given invaluable feedback from adopters, this second edition workbook has been restructured so that exercises more consistently increase in complexity and degree of difficulty, and fuller, more explicit directions accompany problems.
