*John Williams*

**Augustus (New York Review Books Classics)** John Williams

WINNER OF THE 1973 NATIONAL BOOK AWARD

By the Author of *Stoner*

In *Augustus*, his third great novel, John Williams took on an entirely new challenge, a historical narrative set in classical Rome, exploring the life of the founder of the Roman Empire. To tell the story, Williams turned to the epistolary novel, a genre that was new to him, transforming and transcending it just as he did the western in *Butcher's Crossing* and the campus novel in *Stoner*. *Augustus* is the final triumph of a writer who has come to be recognized around the world as an American master.
