Everything You Need to Know : The Answer Book to School Survival

From history to math to science and more, this is something of a cheat sheet in small book form. None of the fluff you'll find in, for example, a history book, the details on Early Explorers take up one page and get right to the point - what you'll need to know, the stuff that shows up on tests. Great little reference tool for those who just need to refresh their memory.
