**Warning: Etiquette Is Back . . . This Time It's Sexy!**

The old-fashioned, repressed, bland man has been banished to the Himalayas and a new breed is taking center stage. He is a man of style, sophistication, and security, just as strong and confident as his predecessor, but far more diverse in his interests, his tastes, and, most importantly, his self-image. He may be seen at an NBA game one night and an art gallery opening the next.

*Bereolaesque* is that much needed fusion between being a gentleman and being sexy. This savoir-faire man's guide walks every man through the stages of ordinary to excellence in just two hundred pages.

Perfect for that coffee table discussion, *Bereolaesque* lends quality information to everyday people and celebrities alike. Beyond the book's mysteriously eye capturing cover are innovative and appealing ways to maneuver through life's crazes, while keeping cool and maintaining manners.

In the midst of a world plagued with economic turmoil, tasteless politics and dark behavior, the gentleman is refreshing and necessary.

*Bereolaesque* is for every man and every woman who believe that chivalry is *Not* dead, and individuals who are willing to learn exactly how far something as simple as being a gentleman and proper etiquette can get you in life. Not to mention, ladies are always quite pleased to meet a real gentleman. . .
