Literature is a conversation — between writers and other writers, and between writers and readers. In *Literature and Its Writers*, Ann and Samuel Charters complement a rich and varied selection of stories, poems, and plays with an unparalleled array of commentaries about that literature by the writers themselves. Such "writer talk" inspires students to respond as it models ways for them to respond. In the fifth edition, the Charters continue to entice students to join the conversation, with adventurous and intriguing new literary works, new literary traditions to discuss, and new features that help them participate as readers and writers.
