Multicultural Perspectives in Music Education

Multicultural Perspectives in Music Education

With *Multicultural Perspectives in Music Education*, you can explore musics from around the world with your students in a meaningful way. Broadly based and practically oriented, the book will help you develop curriculum for an increasingly multicultural society. Ready-to-use lesson plans make it easy to bring many different but equally logical musical systems into your classroom. The authors—a variety of music educators and ethnomusicologists—provide plans and resources to broaden your students' perspectives on music as an important aspect of culture both within the United States and globally.
