The Hunger Games: A Critical Analysis of the Blockbuster Book/ Movie is a novel about everything and anything to do with the literary masterpiece of Suzanne Collins. Join me as I take a look at all the major themes, opinions, and analysis of the story from a critical point of view. Some of the topics covered are: -A deep look at Katniss, Peeta, Haymitch, and all the tributes that make up the Games. -A study of the Katniss/Peeta/Gale love triangle. -An examination of the psychology of the Hunger Games. -What could have been done better with the story. All of this and much, much more as I leave no stone unturned in breaking down the Hunger Games to its core and all the elements that go into it. A must read for all fans.
