Willie Dixon: Preacher of the Blues (African American Cultural Theory and Heritage) Mitsutoshi Inaba

One of the greats of blues music, Willie Dixon was a recording artist whose abilities extended beyond that of bass player. A singer, songwriter, arranger, and producer, Dixon's work influenced countless artists across the music spectrum. In *Willie Dixon: Preacher of the Blues*, Mitsutoshi Inaba examines Dixon's career, from his earliest recordings with the Five Breezes through his major work with Chess Records and Cobra Records.

Focusing on Dixon's work on the Chicago blues from the 1940s to the early 1970s, this book details the development of Dixon's songwriting techniques from his early professional career to his mature period and compares the compositions he provided for different artists. This volume also explores Dixon's philosophy of songwriting and its social, historical, and cultural background. This is the first study to discuss his compositions in an African American cultural context, drawing upon interviews with his family and former band members. This volume also includes a detailed list of Dixon's session work, in which his compositions are chronologically organized.

If you want to buy the e-book, you can open their official web-site in addition to order it. Have a nice go through.

Mary Kerr:

As a college student exactly feel bored to be able to reading. If their teacher questioned them to go to the library or even make summary for some reserve, they are complained. Just little students that has reading's soul or real their pastime. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Willie Dixon: Preacher of the Blues (African American Cultural Theory and Heritage) can make you really feel more interested to read.
