Fake Me a Match Lauren Barnholdt

Avery LaDuke is in the market for a new best friend. Her former BFF, Sophie Burns, dumped her to hang out with the popular crowd at school. But the good news Avery's getting a new sister who's bound to be her new BFF too! Blake is her age and she's from New York. How cool is that? But things don't go quite as smoothly as Avery hoped. And what's with Blake becoming BFFs with Sophie? Huh?? That wasn't supposed to happen!

When Avery gets put in charge of the eighth grade charity project, an on-line matchmaking service, she thinks she can use this project to get Blake back on her side. She decides to fix the matches so that Blake gets matched with Sam, the most popular boy in school, but when the matches come out something has gone seriously wrong! Not only is Avery matched with Sam, but the class advisor knows that someone tampered with the program. On top of that, Avery discovers that she actually kind of, sort of, likes Sam . . . and he likes her back. Torn between the guy she likes and her sister/best friend, Avery is left wondering: is there any possible way she can keep them both?

From reader reviews:

Ruth Powers:

The book Fake Me a Match make one feel enjoy for your spare time. You can use to make your capable far more increase. Book can to be your best friend when you getting anxiety or having big problem with the subject. If you can make studying a book Fake Me a Match to be your habit, you can get much more advantages, like add your current capable, increase your knowledge about some or all subjects. You can know everything if you like open up and read a book Fake Me a Match. Kinds of book are several. It means that, science e-book or encyclopedia or other people. So , how do you think about this reserve?

Henry Woods:

What do you in relation to book? It is not important along with you? Or just adding material when you need something to explain what the one you have problem? How about your free time? Or are you busy particular person? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have extra time? What did you do? Every person has many questions above. They need to answer that question due to the fact just their can do this. It said that about publication. Book is familiar in each person. Yes, it is appropriate. Because start from on guardería until university need this specific Fake Me a Match to read.

Margaret Velasquez:

This Fake Me a Match is great e-book for you because the content that is certainly full of information for you who all always deal with world and have to make decision every minute. This specific book reveal it data accurately using great organize word or we can say no rambling sentences within it. So if you are read the idea hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but tough core information with attractive delivering sentences. Having Fake Me a Match in your hand like finding the world in your arm, details in it is not ridiculous just one. We can say that no publication that offer you world within ten or fifteen small right but this reserve already do that. So , this is certainly good reading book. Hello Mr. and Mrs. active do you still doubt which?

Hye Elliott:

Do you like reading a guide? Confuse to looking for your favorite book? Or your book ended up being rare? Why so many question for the book? But virtually any people feel that they enjoy intended for reading. Some people likes reading through, not only science book but novel and Fake Me a Match or even others sources were given understanding for you. After you know how the fantastic a book, you feel need to read more and more. Science book was created for teacher or even students especially. Those books are helping them to increase their knowledge. In some other case, beside science e-book, any other book likes Fake Me a Match to make your spare time a lot more colorful. Many types of book like this one.
