*Matt Cahill was an ordinary man leading a simple life until a shocking accident changed everything. Now he can see a nightmarish netherworld that exists within our own. Now he's on a dangerous quest for the answers to who he is and what he has become...and engaged in an epic battle to save us, and his soul, from the clutches of pure evil.*

Matt believes an institutionalized madman may hold the secret to defeating Mr. Dark, the horrific jester with the rotting touch who has tormented him ever since his miraculous resurrection. So he infiltrates a lunatic asylum, where is swept up in a spiral of bloodshed and insanity, all stoked by supernatural forces that he's never faced before....and that might just drive him to madness. His only chance of escaping with his life and sanity intact is to face the unspeakable terror that awaits him deep in the asylum's fog-shrouded woods...and within the Ring of Knives.
