The Meaning of the 21st Century

James Martin

The Meaning of the 21st Century James Martin

James Martin tells us that we are living in a turning point in human history. "We are traveling at breakneck speed into an era of extremes- extremes of wealth and poverty, extremes in technology, extremes of globalism. If we are to survive, we must learn how to manage them all." Although we now face huge challenges and conflicts, the scientific breakthroughs of the twenty-first century will provide new hope for our future. The best strategy, Martin believes, is to discover how to use our intelligence and technology to transform the world before we destroy the planet and ourselves along with it.

Drawing from his decades of experience as one of the world's most widely respected authorities on the impact of technology on society, James Martin- known as the "Guru of the Information Age"-proposes provocative, feasible solutions for some of the world's thorniest problems. Martin, convinced that our enormously complex plight is imminent, endowed the James Martin 21st Century School at Oxford University to help find real-life solutions.

The Meaning of the 21st Century is the culmination of years of research and extensive interviews with experts in a wide range of fields. A ringing call to arms and a pragmatic blueprint for change, it is a book that's essential reading for everyone.

From reader reviews:

Gerri Townsend:

Why don't make it to become your habit? Right now, try to prepare your time to do the important behave, like looking for your favorite guide and reading a publication. Beside you can solve your short lived problem; you can add your knowledge by the guide entitled The Meaning of the 21st Century. Try to the actual book The Meaning of the 21st Century as your pal. It means that it can to be your friend when you truly feel alone and beside that course make you smarter than ever before. Yeah, it is very fortunated to suit your needs. The book makes you considerably more confidence because you can know everything by the book. So , let us make new experience and also knowledge with this book.

Princess Bequette:

Do you certainly one of people who can't read satisfying if the sentence chained within the straightway, hold on guys this particular aren't like that. This The Meaning of the 21st Century book is readable through you who hate those perfect word style. You will find the information here are arrange for enjoyable reading through experience without leaving possibly decrease the knowledge that want to give to you. The writer associated with The Meaning of the 21st Century content conveys prospect easily to understand by most people. The printed and e-book are not different in the content but it just different such as it. So , do you still thinking The Meaning of the 21st Century is not loveable to be your top list reading book?

Bertha Davis:

This The Meaning of the 21st Century is great guide for you because the content which can be full of information for you who all always deal with world and also have to make decision every minute. This specific book reveal it data accurately using great organize word or we can declare no rambling sentences in it. So if you are read this hurriedly you can have whole details in it. Doesn't mean it only provides straight forward sentences but tricky core information with lovely delivering sentences. Having The Meaning of the 21st Century in your hand like keeping the world in your arm, info in it is not ridiculous a single. We can say that no e-book that offer you world in ten or fifteen tiny right but this publication already do that. So , this can be good reading book. Heya Mr. and Mrs. hectic do you still doubt that?

Gary Collis:

As a scholar exactly feel bored to be able to reading. If their teacher inquired them to go to the library or make summary for some book, they are complained. Just very little students that has reading's heart and soul or real their interest. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this The Meaning of the 21st Century can make you feel more interested to read.
