Congress of Strange People

Stephanie Lenox

Congress of Strange People Stephanie Lenox

Stephanie Lenox's inventive debut collection entices readers into a "federation of freaks" with voice-driven poems that sing a collective ode to our common strangeness. Employing humor, mystery, and a bold yet generous gaze, this book keeps company with a snake handler and conspiracy theorist, record holders from the 'Guinness World Records,' Miss Manners, human cannonballs, Nancy Drew, and other characters from a family of outcasts.
