Bethany Griffin

Dance of the Red Death (Masque of the Red Death) Bethany Griffin

Bethany Griffin continues the journey of Araby Worth in *Dance of the Red Death*—the sequel to her teen novel *Masque of the Red Death*. Lauren DeStefano, author of the *New York Times* bestselling *Chemical Gardens* trilogy, called *Masque of the Red Death* "luscious, sultry, and lingeringly tragic."

In *Dance of the Red Death*, Araby's world is in shambles—betrayal, death, disease, and evil forces surround her. She has no one to trust. But she will fight for herself, for the people she loves, and for her city. Her revenge will take place at the menacing masked ball. It could destroy her and everyone she loves . . . or it could turn her into a hero.

With a nod to Edgar Allan Poe, Bethany Griffin concludes her tragic and mysterious Red Death saga about a heroine that young adult readers will never forget.
