**Educational Research: Quantitative, Qualitative, and Mixed Approaches** R. (Robert) Burke Johnson, Larry B. Christensen

Assuming no prior knowledge, **Educational Research: Quantitative, Qualitative, and Mixed Approaches, Fifth Edition**, by Burke Johnson and Larry Christensen, gives upper-level undergraduate and graduate students an understanding of the multiple research methods and strategies—including qualitative, quantitative, and action research, as well as mixed methods inquiry—used in education and related fields. The authors expertly teach students how to: read and critically evaluate published research; write a proposal, construct a questionnaire, and conduct an empirical research study on their own; and ultimately write up their results in a research report using APA style.
