JET: COLD SHADOW (Kindle Worlds) Alex Shaw

Featuring JET from New York Times Bestselling Author Russell Blake's hit action & adventure series and AIDAN SNOW from Alex Shaw's bestselling espionage thriller series - two elite covert operatives must join forces to survive in an all action thriller

When a Mossad traitor is located in rebel controlled Eastern Ukraine, running an illegal interrogation center, JET - Mossad's most lethal operative - is tasked with his elimination.

Posing as a Kremlin sponsored journalist, Jet travels with a Russian convoy into insurgent controlled Donetsk.

The convoy is attacked...

Who are the assailants?

Has her cover been blown?

Can she still complete the mission?

But Jet is not the only asset in the area. MI6 have sent in their most trusted agent - Aidan Snow - on a deniable operation to rescue a British Muslim student, held hostage in Donetsk.

Unbeknownst to Mossad or MI6, their missions will merge as the pair of intelligence operatives join forces against the Russian backed insurgents of the Donetsk Peoples Republic.

Outgunned and outnumbered, Jet and Snow are forced to fight their way through and out of Donetsk before Russia closes its new iron curtain.

Two agents, two missions, together they make one hell of a team.
