Ano 2044. Como la mayoria de la humanidad, Wade Watts prefiere mil veces la utopia (videojuego) de OASIS al cada vez mas sombrio mundo real. Y como el resto de humanos, Waden suena con ser el descubridor del ultimo billete de loteria que permanece oculto en dicha realidad virtual. No en vano se rumora que en algun lugar dentro de OASIS se esconden las diabolicas piezas de un rompecabezas que conducen a una fortuna incalculable y remarcablemente poderosa para quien consiga resolverlo. Durante anos, millones de humanos han intentado sin exito conseguir dicho premio, sabiendo que las claves del enigma estan basadas en la cultura de los ultimos anos del siglo XX. De repente, Wade logra resolver el primer rompecabezas del premio. A partir de entonces se halla inmerso en una carrera contrarreloj con miles de competidores para conseguir el premio, y en el camino la busqueda cobra dimensiones reales y cambia para siempre tanto a Wade como a sus competidores. / Its the year 2044, and the real world is an ugly place. Like most of humanity, Wade Watts escapes his grim surroundings by spending his waking hours jacked into the OASIS, a sprawling virtual utopia that lets you be anything you want to be, a place where you can live and play and fall in love on any of ten thousand planets. And like most of humanity, Wade dreams of being the one to discover the ultimate lottery ticket that lies concealed within this virtual world. For somewhere inside this giant networked playground, OASIS creator James Halliday has hidden a series of fiendish puzzles that will yield massive fortune -and remarkable power- to whoever can unlock them.Â
