## **Roosevelt's Ranch Life in North Dakota** ALBERT TANGEMAN VOLLWEILER

The Elkhorn Ranch was established by Theodore Roosevelt on the banks of the Little Missouri River 35 miles north of Medora, North Dakota in the summer of 1884. Roosevelt hired Bill Sewall and Wilmot Dow, two Maine woodsmen, to run the ranch. Sewall and Dow built the ranch house, "a long, low house of logs," in the winter of 1884-1885.

The Elkhorn Ranch was Theodore Roosevelt's "main ranch", and his preferred ranch house because it was larger and more private than his Maltese Cross Ranch, established in 1883. Roosevelt particularly enjoyed sitting in the veranda in a rocking chair, reading in the shade of the cottonwood trees. His enjoyment is evident in his books, "Ranch Life and the Hunting Trail," "Hunting Trips of a Ranchman," and "The Wilderness Hunter."

This book published in 1918 has been reformatted for the Kindle and may contain an occasional defect from the original publication or from the reformatting.
