Three Sunsets and Other Poems

The Hunting of the Snark

The Life and Letters of Lewis Carroll

The Life and Letters of Lewis Carroll is a biography written by Carroll's nephew, Stuart Dodgson Collingwood, and published in 1898. It accidentally started the entire image of Lewis Carroll as a pedophile by deliberately suppressing all the evidence for his sometimes unconventional relationships with women, explaining that some of those women had been little girls... The Victorians had no concept of our modern idea of pedophilia. In fact, a man who loved pre-pubescent girls was considered especially saintly and

innocent, and this was why Collingwood over-emphasized this aspect of his uncle's character so much.

Charles Lutwidge Dodgson better known by the pseudonym Lewis Carroll (1832 – 1898), was an English author, mathematician, logician, Anglican deacon and photographer.

Stuart Dodgson Collingwood (1870–1937) was an English clergyman and headmaster. He wrote two books about his uncle, Lewis Carroll.
