A new brand of apostolic ministry for today's world *The Permanent Revolution* is a groundbreaking work of theological re-imagination that focuses on the twin issues of ministry and leadership appropriate to our times. The authors draw widely from the areas of biblical studies, theology, organizational theory, leadership studies, and the social sciences, to make a comprehensive case for on the abiding significance of the Ephesians 4 vocations of apostle, prophet, evangelist, shepherd and teacher in the church that Jesus intended. They particularly emphasize the strategic importance of the apostolic role for generating missional movements, facilitating ongoing renewal in the life of the church, stimulating ecclesial innovation, and creating adaptive but highly sustainable organizations.

- Shows how to view leadership and ministry through a biblical perspective and continue "the permanent revolution" that Jesus initiated
- Outlines the essential characteristics of apostolic movements and how to restructure the church and ministry to be more consistent with them
- Alan Hirsch is a leading voice in the missional movement of the Christian West

This seminal book will likely initiate a much needed re-assessment about how we think of, and subsequently do, ministry in 21st Century contexts.
