William Shakespeare

The Tragedy of Othello: The Moor of Venice (The Yale Shakespeare) William Shakespeare

Along with Hamlet, King Lear, and Macbeth, Othello is one of Shakespeare's four great tragedies. What distinguishes Othello is its bold treatment of racial and gender themes. It is also the only tragedy to feature a main character, Iago, who truly seems evil, betraying and deceiving those that trust him purely for spite and with no political goal. This edition, the first to give full attention to these themes, includes an extensive introduction stresses the public dimensions of the tragedy, paying particular attention to its treatment of color and social relations.
