Unstained: How to Help Protect Your Child's Purity in a Sex-Saturated World Brian Dembowczyk
3 out of 5 children will have sexual intercourse by their nineteenth birthday. We live in a sex-saturated culture that bombards our children with images, advertisements, and opportunities that undermine God's plan for purity daily. Today, more than ever, parents need to imbed a biblical worldview of sex in their children's minds and hearts and help their children to remain unstained in the midst of the immorality. Unstained is designed to provide you with the information, strategy, and tools you need in this role to help your child stay pure. Topics covered include: God's purpose in sexual purity; how sexual purity impacts marriage; the physical, emotional, and spiritual consequences of premarital sex; the myth of "safe" sex; the parent's role in a child's purity; how to help your child develop dating standards; how to be a proactive, not reactive, parent; how a parent and child can build a relationship of trust; how to communicate in a way that connects; what a healthy, and biblical self-image looks like. Designed to be read alone, with your spouse, or as part of a small group, Unstained includes discussion questions, ideas for putting what you learned into practice, suggested prayer topics, and more. Be encouraged: it is possible for your child to remain unstained by sexual immorality.
